[Crayon Physics Deluxe 188 Levels... Mod](#)

Drawing with the "Laws of Physics"

Lever, pulleys, and fulcrums oh my! With *Crayon Physics* physical forces act upon an obstacle course you draw. Gently guide a ball through your course to hit a star.

Got physics type questions? Say "hi" to Craig in our Physics Lab across the Turbine Hall. Also try scanning the QR code to visit the Institute of Physics web portal "All About Physics." <http://www.physics.org/>
